

# PLEASE SPONSOR ME!

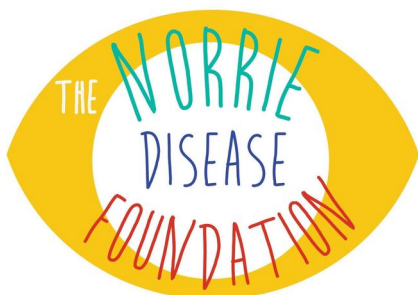

in aid of the Norrie Disease Foundation

On  
I will be  
to **raise funds** to ensure **vital research** into Norrie  
disease hearing loss can take place.

Norrie disease is:

- A rare, genetic disorder.
- Boys are born BLIND and develop HEARING LOSS during childhood.
- There is NO cure.

**Please give generously to stop this blind  
community going deaf. Thank you!**
